

Agency Policy

Partnership Program for Global Distributors & Agencies

1. Regional Protection

We offer exclusive regional protection to authorized agents. Each agency enjoys a protected sales territory.

2. Marketing Support

We provide marketing materials, product images, brochures and digital assets to help agents promote the product.

3. Technical Training

Comprehensive technical and operational training is provided to agents and their staff, including device operation and troubleshooting.

4. After-Sales Service

We offer professional after-sales support, including warranty service, spare parts supply and timely technical assistance.

5. OEM / ODM

Custom branding is available, covering colors, logo, software UI language and packaging, to help agents build their brand.
